

## Organic Style

Stone's Throw Designs by **Kimberly Stafford '96** features jewelry that pairs natural gemstones and pearls with silver, gold, leather, and silk. Stafford donates a portion of her proceeds to organizations that support disenfranchised women.

\$50-\$350

## Wonder Wool

Softer than merino, and super-toasty to boot, Khunu sweaters for men and women are adventure-wear with a social purpose. Co-founder **Aaron Pattillo '98** and his business partner source Himalayan yak wool from nomadic communities on the Tibetan Plateau and Mongolia. A percentage of sales goes back to those herding communities.
